

CENTRAL TERRITORIAL
STAFF SONGSTERS

Thank you for your interest in becoming a part of The Central Territorial Staff Songsters (CTSS). Here is the process for becoming a member of the group. To give you an insight into the group and the membership requirements, please take some time to read through the CTSS handbook.

Part One: Application Form

Once you've submitted the application, we will schedule the audition and interview portion.

Part Two: Vocal Audition

The audition process can be a bit daunting, but it is an essential tool for us to keep the high standard of the ensemble and to determine how we can best use your voice within the group.

Once you have completed your application you will be contacted to schedule an audition. This can be done in-person if schedules allow, or we can arrange for you to do a recorded audition with a local facilitator.

The vocal audition will consist of the following:

1. Song of your choice (no more than 3 minutes in length; make cuts if needed).
This should showcase your voice at its best, in the range of the voice part for which you are auditioning.
2. Sing an excerpt of "Go In Peace, Go In Love" by Lee Fisher.
Begin at measure 21 and sing to the end, singing in your voice part (Sop, Alto, Tenor, Bass).
3. Sight-singing.
8 measures of music that will be given to you at your in-person audition or the time of your recorded audition.

Part Three: Interview

You will be scheduled an interview with the Songster Leader and Songster Chaplain. This is as much for your benefit as the groups'.

Be prepared to share about your experience being a Christ follower and how that impacts your life.

During the interview, please feel free to ask questions about being a member of the CTSS. This also allows us an opportunity to communicate clearly what it means to be a part of this ministry.
